On November 13, 2014 the Committee filed an Amended Statement of Organization change the committee's name from Women

Supporting Cory Gardner to Women Supporting Cory, but such Amended Statement of Organization does not appear in the public filings of the organization nor is the name change reflected on the public disclosure portal.

The only change to the organization was the name. The address, contact information, type of committee, name of Custodian of Records, name of Treasurer, and banking information remained the same.
